

Must create an EREQ ONLINE for Lab Work (Electronic Lab Test Requisition)

Your Personalized Blueprint for Wellness Lab Test REQ is
no longer in your Qualifying Events Packet

- ▶ **For Labs done at a QUEST Patient Service Center:** Electronic Requisition EREQ needs to be created online by scheduling a walk-in or appt time through the Blueprint for Wellness system.
- ▶ **For Labs done at IMM:** EREQs are not available for this locations. A paper REQ will be provided when you arrive for your lab draw. Upon arrival, request a “Manatee/Blueprint for Wellness Test REQ.”

Who needs to complete Lab Work?

- ▶ Members who were ages 19, 25, 30, 35, 40, 43, 46, 49 and older on January 1, 2017, or those who wish to upgrade their plan from the Basic, Better or Best Plan Levels.

For Example: If your birthday is January 12th and you turned 43 then that means you were age 42 on January 1, 2017, and therefore you do not need to complete qualifying lab work this year unless you are upgrading your plan level.

OPTION TO FAX RESULTS TO YOUR PHYSICIAN: During the online scheduling of your appointment/EREQ you will be prompted to add your Physician’s FAX # if you want your doctor to receive results. Refer to the enclosed “Top Utilized Physician’s FAX # List” – If you do not see your physician on this list contact your physician’s office for the number.
