GROUP FITNESS | Class Descriptions

TOTAL BODY/CORE STRENGTH

Barre

Improve strength, flexibility and balance in this low impact, ballet-inspired class that aims to improve your coordination and core strength to upbeat music. Former bunheads and beginners are welcome! Note: class limited to 12 participants. First come, first served.

Bootcamp

This fitness class combines aerobic exercise with strength, agility, endurance and flexibility to create a total-body workout. Every workout is different and designed to make you move and use your muscles in every way possible. All levels.

Box-Fit Bag Class

This 30-minute class combines cardio and strength training for a huge calorie burn. Requires a pair of boxing gloves or bag gloves; bring your own or purchase on-site.

Cardio Circuit

Functional training to elevate heart rate and burn calories. Equipment used can vary from body weight, to dumbbells to TRX and/or Bosu Balls

Cardio Kickboxing

Cardio kickboxing is a group fitness class that combines martial arts techniques with fast-paced cardio. This high-energy workout challenges the beginner and elite athlete alike. Build stamina, improve coordination and burn calories as you build lean muscle with this fun and challenging workout!

Core Blast

A full core workout focusing on the hip flexors, lower back, hips and abs – burn the most calories in a short period of time. Beginner, intermediate & advanced.

Cross Train Max

We'll keep you guessing and challenge you differently in every class! Designed to improve overall fitness - strength, cardio, flexibility, agility and endurance. We'll use Bodyweight, Dumbbells, Stability Balls, Steps, and various other equipment to add variety and intensity.

Kickin' It Karate

Learn basic karate kicks, punches, self-defense and more while developing and challenging your muscles, and getting your cardio workout. All levels.

Pilates

Blends muscle conditioning and stretching exercises to lengthen, strengthen and energize the entire body. By blending principles from Pilates, stretching, and fitness you will challenge muscular endurance, active flexibility and core strength.

Strength Basics

Learn the fundamentals of strength training in this beginner-friendly class! Workouts will focus on the education/technique of 2 major movements each week and then will incorporate into an entire circuit workout focusing on either lower body (Tuesdays) or upper body (Thursdays).

Strength Circuit

Functional strength training to build muscle while improving balance, coordination and stamina. Equipment will vary to include TRX, dumbbells, BOSU Balls, Medicine Balls.

Strengthen & Lengthen

Legs, core, arms, shoulders and neck. From the bottom to the top, open the flow of energy through movements which make your body feel great. Improve your physical and mental balance, increase strength and mobility.

TRX Circuit

Increase endurance and metabolic output with this cardio/strength class utilizing TRX Straps and various other equipment.

Weight Room Circuit

Instructor led exercise class using dumbbells, weight machines and body weight to develop lean muscle mass and increase strength.

Zumba®

A Latin dance-based cardio workout certain to get your feet and hips moving and your heart beating strongly. The fastest hour of fitness you've ever experienced. Beginner, intermediate, & advanced.

MIND+BODY

All Sorts of Twisted

Moderately paced yoga class with modifications and options for all levels.

Funky Flow

Gentle standing and floor poses, but with a light-hearted vibrational twist.

Gently Twisted

A slow paced class to allow extra explanation and assistance for poses. This class is perfect for those who may find some yoga poses uncomfortable for the knees, wrists, back, etc.

Guided Meditation

Explore meditation through various guided meditations, breathing, and visualization practices. New, novice and experienced welcome.

Sit and Twist

Chair Yoga - The use of a chair and modified poses make great for reducing joint and muscle strain!

Slowly Twisted

One yoga pose leads into the next in a flowing sequence.

Tai Chi for Relaxation

Gentle, low-impact movements, done in a flowing, focused way help to strengthen the body, increase flexibility and promote a feeling of calm. Beginners welcome!

Twisted Beginners

New to Yoga or coming back to yoga after a while? Twisted Beginnings is a good place to start. More details about the poses, more time to adjust and more opportunity to ask questions.

Twisted Flow

Twisted with Vinyasa techniques, students will link conscious breath with a challenging and mindful flow/ Awaken your strength, energy and flexibility all in a fun atmosphere. (Intermediate & Advanced)

Twisted to the Core

A little yoga, a little Pilates, a lot of core work! Great to work on your posture, address the cause of back pain and more.

Untwisted Thoughts

Meditation Class - very little if any yoga poses, the focus is on calming the mind and relaxing your body.

Untwisted Yoga

A gentle meditative yoga class using props to get your body in supported poses.

Yoga/Yoga Body Renew/ Yoga Flow & Stretch

Designed to improve breath, strength, balance, flexibility and posture giving you a renewed start to your day. Beginner & intermediate.

Yogalates

Combines core strengthening Pilates and the stretching principles of hatha yoga to improve breath, posture, and flexibility.

CYCLING

Cycle

An invigorating cardio workout performed on a stationary bike based on sound cycling principles. Classes focus on RPM's, heart rate zones, sport-specific drills, climbs and sprints. This will be an unpredictable ride that is fun and challenging. Space Limited.

AQUATICS

Aqua Fit

Get wet with this pool interval class! No swimming experience is required to get a good workout in the water. You'll use the resistance of your body against the water in timed intervals to get a great workout with minimal impact on the joints. All levels welcome.

Aqua Zumba®

Perfect for those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance for one pool party you shouldn't miss!
