GROUP FITNESS | Class Descriptions

TOTAL BODY/CORE STRENGTH

Active Isolated Stretch

Learn a stretching technique that provides effective, dynamic, facilitated stretching of major muscle groups to restore strength, flexibility and function.

Ballet Barre

Improve strength, flexibility and balance in this low-impact, ballet-inspired class that aims to improve your coordination and core strength to upbeat music. Former bunheads and beginners alike are welcome! Note: class limited to 12 participants due to space. First come, first served.

Body Rolling

This 45-minute body rolling class will teach you how to use a roller and other tools to erase aches and pains and train your body to function more optimally than ever. Experience how good your body can feel with hands-off bodywork. All levels!

Bootcamp

This fitness class combines aerobic exercise with strength, agility, endurance and flexibility to create a total-body workout. Every workout is different and designed to make you move and use your muscles in every way possible. All levels.

Cardio Sculpt

Half the class incorporates cardio to blast calories and improve your cardiovascular fitness while the other half focuses on improving your muscular strength.

Cardio Kickboxing

Cardio kickboxing is a group fitness class that combines martial arts techniques with fast-paced cardio. This high-energy workout challenges the beginner and elite athlete alike. Build stamina, improve coordination and burn calories as you build lean muscle with this fun and challenging workout!

Core Alignment

Improve your core and your posture instantly with key techniques for a solid foundation. This class will help you work out your kinks, aches, and pain while providing lifelong self-care skills. All levels are encouraged and welcome!

Core Blast

A full core workout focusing on the hip flexors, lower back, hips and abs – burn the most calories in a short period of time. Beginner, intermediate & advanced.

Cross Train Max

We'll keep you guessing and challenge you differently in every class! Designed to improve overall fitness - strength, cardio, flexibility, agility and endurance. We'll use Bodyweight, Dumbbells, Stability Balls, Steps, and various other equipment to add variety and intensity.

Kickin' It Karate

Learn basic karate kicks, punches, self-defense and more while developing and challenging your muscles, and getting your cardio workout. All levels.

LeBarre

Full-body movement with dynamic and continuous sequences that will challenge your muscular endurance, flexibility, and core strength. Beginner to intermediate. (Limit 11; First come first serve).

Healthy Hips

Blends self massage, Pilates, yoga, and strength training to help women in all trimesters of pregnancy be physically well. This class is ideal for prenatal, postnatal, as well as anyone with pelvic floor issues, tight hips and low back pain.

Power Pilates

Blends muscle conditioning and stretching exercises to lengthen, strengthen and energize the entire body. By blending principles from Pilates, stretching, and fitness you will challenge muscular endurance, active flexibility and core strength.

Power Row/Row Express

Power Row is a total body, low impact, high intensity multi functional training on and off the rowing machine. Geared for all fitness levels

Power Stretch

30 minutes of stretching techniques done in a quick sequence of poses to stretch the entire body.

Rapid Toning

One of the FASTEST WAYS TO GET IN SHAPE! 45-Minutes of challenging every major muscle in your body with light weights, body weight exercises, short bursts of cardio, and toning abdominal work!! The high repetitions will boost your endurance and speed up metabolism for rapid fat burning.

Strengthen & Lengthen

Legs, core, arms, shoulders and neck. From the bottom to the top, open the flow of energy through movements which make your body feel great. Improve your physical and mental balance, increase strength and mobility.

Weight Room Circuit

Every class will be different! We'll keep your muscles guessing while improving overall fitness by incorporating exercise of various intensity utilizing weight room machines.

Zumba®

A Latin dance-based cardio workout certain to get your feet and hips moving and your heart beating strongly. The fastest hour of fitness you've ever experienced. Beginner, intermediate, & advanced.

Zumba® Toning

Lightweight maraca-like Toning Sticks enhances sense of rhythm and coordination, while toning target zones, including arms, core and lower body.

MIND+BODY

Guided Meditation

This class will provide you with relaxation, breathing and meditation techniques. Explore meditation through various guided meditations and visualization practices. New, novice and experienced will find a place in this class.

Power Yoga

A fitness based approach to vinyasa-style yoga. This class focuses on strength and flexibility. All levels are welcome. Small hand weights will also be included.

Tai Chi for Relaxation

Gentle, low-impact movements, done in a flowing, yet focused way help to strengthen the body, increase flexibility and promote a feeling of calm. Beginners welcome!

Yoga Fitness/Yoga Body Renew

A Hatha yoga-based class designed to improve breath, strength, balance, flexibility and posture giving you a renewed start to your day. Beginner & intermediate.

Yoga Flow & Stretch

Slow paced movement that includes the main hatha yoga postures and feel good stretches for low back care and posture improvement. At the end of class, you have a few minutes to just relax, and decompress. Options for a relaxing class or a challenge.

Yogalates

A class combining the core strengthening aspects of Pilates and the stretching principles of hatha yoga to improve breath, posture, and flexibility.

CYCLING

Cycle

An invigorating cardio workout performed on a stationary bike based on sound cycling principles. Classes focus on RPM's, heart rate zones, sport-specific drills, climbs and sprints. This will be an unpredictable ride that is fun and challenging. Space Limited.

Cycle + Core

This class combines a cardiovascular cycling workout with a strength component. You will do 45 minutes of interval based cycling, followed by 10 minutes of core work, & finish up with a stretch. Space Limited.

Cycle + Kettlebells

This is a calorie torching class! 60 minutes of high energy cycling followed by 15-20 minutes of kettlebell strength work targeting upper and lower body. Killer Abs will be included.

Cycle + Sculpt

Ride profiles will vary but may include: hills, sprints, jumps, tabata. Hand weights or Resistance Tubes will be used for approximately 10 minutes of upper body sculpting. An awesome total body workout.

AQUATICS

Aqua Fit

Get wet with this pool interval class! No swimming experience is required to get a good workout in the water. You'll use the resistance of your body against the water in timed intervals to get a great workout with minimal impact on the joints. All levels welcome.

Aqua Zumba®

Perfect for those looking to make a splash by adding a low-impact, high-energy aquatic exercise to their fitness routine. Aqua Zumba® blends the Zumba® philosophy with water resistance for one pool party you shouldn't miss!
