Afternoon: Public Works | Small Conference Room

(1022 26th Avenue East, Bradenton)

**Call Diane directly at 813-281-3751
to schedule a consultation**

457b plan works like a 401(k) or other employee-sponsored retirement plans. This is an optional deferred compensation plan designed to supplement your Florida Retirement System (FRS) pension plan to help you achieve the retirement you envision for yourself. Any permanent employee who is interested in paying themselves first through a supplemental retirement program can participate. Board of County Commissioner employees can set up an account through Voya Financial. Other employees see your employer's Insurance Coordinator.
